Endurance Ride
100/55/25 – **SUNDAY, September 3, 2017**
The 100 Mile Ride Will Be Offered Only If We Have Sufficient Pre-Entries

AERC Sanctioned – TERA Sponsored

Camp Opens Saturday, Sept. 2 at 9:00 AM

IF YOU CAN'T RIDE THE RIDE, PLEASE VOLUNTEER!
PLEASE read the entire flyer as there have been many changes and additions this year!!

Endurance riding is an athletic event for both horse and rider in which the first goal is to complete the marked trail; the second goal is to ride this trail as rapidly as the condition of horse and rider allows. A qualified veterinarian and ride manager control each AERC sanctioned ride to a certain extent. All equines must pass thorough vet checks before and during the event before they may continue. After the ride, the equine must pass another check before being allowed a completion.

Directions: Kennard is 16 miles east of Crockett and 36 miles west of Lufkin. In “downtown” Kennard, turn South off Hwy 7 between the Post Office and a small tan tin building onto CR 4625 (also called Broadway); watch for the “AERC Ride” signs from here. Eight miles from Hwy 7, turn right into private drive. This is a sharp turn, but large rigs can make it. From this direction, the dirt portion is rather narrow. There is room for vehicles to pass, but it is tight. This is how we go in and out with our trailer most often, but we drive slowly.

From Houston via 45: Take Highway 19 from Huntsville to Trinity. In Trinity, pick up Highway 94 (right at the second stoplight) toward Groveton. Shortly after the "Y" intersection of 94 and 287, turn left on FM 3154. Take 3154 until you reach a stop sign at FM 358. Cross FM 358, onto a dirt road, & continue until it ends at a T. Turn right and it will be 1.8 m to camp. You will turn left into the pasture.

Houston via 59: In Corrigan, turn West on to Hwy 287 towards Groveton. Just after Groveton, turn right on FM 3154. Follow directions above.

Please pay attention to parking signs so that you do not park on the trail.

Camping: Private pasture (primitive camp - we will have port-a-potties) offers plenty of room for rigs and will accommodate panel or electric pens for the equines and/or tents for the humans. **There will be a separate area or areas marked for anyone who wishes to run a generator all night. Please be considerate of all campers and do not take up more than your share of shade.**

You are responsible for the containment of your horses. All dogs must be kept on a leash.

There are fire ants in pastures – you may bring fire ant killer for your area. Watch for trail ribbons - please don't camp in trail. Please use pack-it-in/pack-it-out type camping, except for hay & manure (please scatter). Stock tank for equine water; please bring human water. Kennard is eight miles from camp. There are two small food stores with gas stations and one cafe. Pennington is about 6 miles away and has a small store and feed store. Groveton is thirteen miles away and has a grocery store and several convenience stores. There is a small café, but it closes at 8:00 on Friday, 2:00 on Saturday, and is closed on Sunday. Lufkin and Crockett will have anything you may need, but they are a bit farther (approx. 30 miles).

Remember bug spray for equines and humans.

Camp will not open until 9:00AM Saturday. Please call to make arrangements if you must arrive before Saturday – this is a working farm and horses may have to be moved.

Come Have Fun With Us In Davy Crockett National Forest!
The Unicorn Hunt
September 3, 2017

Trails: Trails consist of gently rolling hills down old logging roads, one-horse width wooded trails, and the permanent horse trails over natural forest floor through the Davy Crockett National Forest. There will be short connecting stretches on county dirt roads. Hoof protection of some type is not a requirement, but it is strongly recommended for all distances. The green trail has an old logging road that has some rock and there has been 3/10 of a mile of rock added to USFS roads that the 50 and 100 milers are using.

***The folks in Kennard have been working hard for months to get all the Piney Creek Horse Trails cleared and marked. We will be using all the white trail which has not been used in several years.

***There will be one out of camp in each distance.

We will have vehicles available to carry supplies to the out of camp check. We recommend you have adequate supplies to leave in camp as it will be impossible to determine when the supply vehicle will return. Details will be discussed at the ride meeting.

PLEASE PRE-REGISTER: To avoid standing in a long line - send the entry form filled out to the best of your ability, a copy of the negative Coggins for every horse you are bringing, a copy of current AERC & TERA membership cards and a check or other form of payment. **Checks can be held until after the ride if requested.** Not only do pre-entries help you and us during registration, but they also let us know if we need to locate another vet to help the ride flow smoothly. This is especially important with an out of camp check to plan.

Fees are listed on the entry form. ALL riders must present current AERC membership card or be charged a \$15.00 event membership fee. **The 100 Mile Ride Will Be Offered Only If We Have Sufficient Pre-Entries dated by August 24. Decision will be made on basis of number of pre-entries. If you miss deadline and want to participate, e-mail or telephone to see if the ride has made.**

If the pre-entry deadline date slips up on you, notify us by e-mail (by the deadline-8/24/17), and you will still receive the discount.

Refunds: 100% if you are not allowed to start the ride or if you cancel before the ride.
“No contact & no shows” will have 20% deducted from their refund

Coggins on all horses in your trailer will be checked on arrival. Every horse in your trailer must have a negative coggins to be allowed on the property.

Schedule (all times subject to change)

Saturday: Registration – 2:00 PM - ?
Pre-ride vetting – 3:00 to 7:30 P
Ride meeting – 100 milers @ 6:00 PM. 25 / 50 milers @ 7:30 PM.

- Start Times: 100 milers will start at 4:00 AM. 55 milers will start at 5:00 AM. Final start time will be announced at ride meeting. 25's will start at 7:30. These times have been selected to have ideal flow in vet checks. All awards will be presented Monday morning with a continental breakfast.

Ride Rules:

1. The equines are under the control of experienced ride veterinarians who will do everything possible to help you evaluate your equine to make it possible for you to complete the ride without hurting your equine. You must accept responsibility for your equine and yourself. The vets may disqualify any rider who has, in the opinion of the vets, abused his/her equine. The veterinarian's decision will be final in all matters concerning the safety and well-being of the equines entered in the ride.
2. Ride management will refuse entry or disqualify any equine that presents a danger to anyone before, after or during the ride, in camp, on trail, or in a vet check.
3. Ride management will refuse entry or disqualify any rider that presents a danger to and/or behaves in an unsportsmanlike manner to anyone before, after, or during the ride, in camp, on trail, or in a vet check.
4. Proof of a negative Coggins test dated within 12 months is mandatory. Each equine entering the camping area is required to have this proof. No entry will be accepted without proof of a negative Coggins test for each equine in their camp. Coggins papers will be checked at the gate.
5. The ride is open to all breeds of equines (horses, mules, ponies, etc.). The equine must be at least 60 months of age as of ride date to enter the 55 and 72 months as of ride date to enter the 100-mile ride. Equines entering the 25 mile limited distance ride must be at least 48 months of age as of ride date.
6. A junior rider is a rider who was under the age of 16 as of December 1, 2016. Juniors must be accompanied by a competent adult sponsor entered in the ride, must list the sponsor on the entry form, and must finish within one minute of the sponsor. Failure of either to wait on the other will result in the loss of completion to both riders. Sponsors may be changed only at vet checks and only with the approval of ride management. AERC ruling for 14-16 year old/ 500 mile completion can apply, but all necessary paperwork must be presented. **ALL JUNIORS MUST WEAR APPROVED SAFETY HELMETS WHILE ON HORSEBACK** regardless of ride entry status.
7. All riders must be present and accounted for at the start of the ride. Management strongly recommends ALL riders wear approved safety helmets while on horseback.
8. The same horse and rider must pass all checkpoints, follow the ride rules, stay on the marked trail and do the loops in the correct order and direction to receive completion.
9. Vet criteria (pulse/respiration requirements, holds, etc.) will be discussed at the pre-ride meeting. Riders are responsible for understanding this information. All equines in each distance **MUST** meet ride criteria within 30 minutes of arrival in camp during and at end of the ride or be disqualified.
10. There is no minimum time limit for completion in any distance. Maximum ride time, **INCLUDING HOLDS**, for completion is 24 hours for 100 milers, 13 hours 15 minutes for 55 milers, and 6 hours for 25 milers. To receive completion, the endurance rider may present his equine for pulse at any time during, but not longer than, 30 minutes after crossing the finish line; 25 milers must meet criteria with 30 minutes of reaching camp. Time does not stop until equine has met ride criteria. The equine must be metabolically fit to continue and have no gait aberrations that are consistently observable at a trot and must have a pulse of 64 or less; pulse of 60 or less for 25 milers at completion (unless stated otherwise at the pre-ride meeting). **RIDERS WILL DISMOUNT FOR ALL TROT OUTS. ALL** equines must see a Vet for completion check or when pulling for any reason. For Best Condition judging, equines must present for a 15-minute CRI, then a one hour post-ride check – 15 minute CRI time measured from the finishing time for 55/100 & pulse down in camp for 25 milers, unless otherwise stated at the ride meeting.
11. Riders are responsible for all farrier and vet fees that may be individually incurred.
12. Dogs must be leashed or physically confined to camp at all times. **NO DOGS IN OFFICE/VET AREAS.**
13. Camp fires are weather dependent. Please check with management before you build one; this will also be discussed at the ride meeting.
14. Please keep tobacco and alcohol in your own camping areas. Please dispose of all cigarette butts in your trash.
15. **NO SMOKING** on trail. Anyone smoking on trail will be subject to disqualification.
16. We welcome you to fish in our ponds, but please catch and release. **For safety purposes, please have an adult supervise all children under 12 around the ponds.**
17. All riders are responsible for their guests and crews. Any rider can be disqualified based on the behavior of their crews, guests, and/or horses.
18. **A "tie" at the finish line will occur only if it is not possible to determine who crossed the finish line first.**
19. Absolutely no running or trotting through camp. Infractions are cause for disqualification.
20. No changes in trail will be made after start of ride unless safety concerns dictate a change.

We want everyone to have the best time possible at this ride, so please remember these guidelines are designed with that in mind. HAPPY TRAILS!

Liability and Medical Release**

I, _____, acknowledge and accept that practicing for and participation in the Unicorn Hunt Endurance Ride event, held in the Davy Crockett National Forest on September 3, 2017 involves the risk of personal injury. By my signature I hereby waive all rights to file a claim or lawsuit against the United States for any injury or damages which may occur during practice for or participation in the Texas Endurance Riders Association's Unicorn Hunt Endurance Ride.

Upon acceptance of my application for entry in the Unicorn Hunt Endurance Ride held September 3, 2017 in the Davy Crockett National Forest, I agree to abide by the rules of the AERC and the Unicorn Hunt. I understand endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities; that these areas have many natural and man-made hazards which management cannot anticipate, identify, modify or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I acknowledge that I assume full responsibility for the safety of myself and the animal I am riding. By my signature, I hereby waive all rights to file a claim or lawsuit against TERA, the ride management, all ride personnel, and all property owners over whose land the ride crosses, for any injury or damages which may occur during practice for or participation in the Texas Endurance Riders Association's Unicorn Hunt Endurance Ride.

I agree to allow and be financially responsible for any necessary emergency medical treatment by any medical institution in the event of my injury or illness.

Any Known Drug Allergies: _____

Any Medical Condition: _____

I have read and understand this liability release.
