**Release from Liability**

Legal Release: As a participant in the High Roller at 7IL Trails Endurance Ride, I agree to abide by the rules of the American Endurance Ride Conference (AERC) and the High Roller Endurance Ride at 7IL Trails. I understand that Endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities. I understand that these areas have many natural and man-made hazards that ride management cannot anticipate, identify, modify or eliminate. I understand that horses can be excitable, unpredictable, and difficult to control and that accidents, even death can happen to anyone at any time. I assume full responsibility for my animals and myself. I will hold the ride management, all ride personnel, and all property owners over whose land the ride takes place or crosses blameless for any accident, injury or loss that might occur due to my participation in the ride and free from any liability for such loss or injury. I acknowledge that I have read, understand and agree with the conditions of this legal release.

Medical Release: I give consent for and will be financially responsible for emergency medical treatment for myself if I'm unable to give informed consent. I acknowledge that I've read and understand and agree with the conditions of this release.
